What is a Publication Scheme?

The Freedom of Information Act (2000) (FOI) requires all Public Authorities (including Trusts, Academies and Schools) to produce a register of the types of information it will routinely make available to the public. Our publication scheme follows a template approved by the Information Commissioner's Office.

The scheme commits our Trust to:

- Proactively or routinely publish information which is held by us falling within the "Classes" below in line with this scheme.
- Specify the information
- Explain how it will be made available
- Review and update information on a regular basis
- Explain any fees to be charged for the information
- Make this scheme publicly available
- Publish information held by the Trust that has been requested (unless not appropriate to do so)
- Publish information in a digital form that is capable of being re-used (under FOI Section 19 and the [Re-use of Public Sector Information Regulations](#) (2015))
- Make clear if any information is a relevant copyright work (under FOI Section 19(8)) and the Trust is the only owner

Classes of information

There are 7 classes of information we hold:

- Who we are and what we do.
- What we spend and how we spend it.
- What our priorities are and how we are doing.
- How we make decisions.
- Our policies and procedures.
- Lists and registers.
- The services we offer.

The classes of information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure.
- Information in draft form.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage or is difficult to access for similar reasons.

Making information available

We will aim to provide as much information as possible on our Trust website. Where it is impracticable to make information available on the website or when an individual does not wish to access the information by the website, we will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. We will arrange an appointment to view the information within a reasonable timescale.

Information will be provided in the language in which it is held or in such other language that is legally required. Where we are legally required to translate any information, we will do so.

Our obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information.

Charges which may be made for information published under this scheme

The purpose of this scheme is to make the greatest amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Trust for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website will be provided free of charge.

Charges may be made for information subject to a charging regime specified by law.

Charges may be made to cover our costs such as:

- photocopying
- postage and packaging
- the costs directly incurred as a result of viewing information

Charges may also be made for making datasets (or parts of datasets) that are relevant copyright works available for re-use. These charges will be in accordance with the terms of the [Re-use of Public Sector Information Regulations](#) (2015), where they apply, or with regulations made under FOI Section 11B, or with other statutory powers of the school.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information. See Section 3 for our Schedule of Charges.

Written requests and contact

Information held by the Trust that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.

If you have a request for information, please contact the Dunstan Catholic Educational Trust at office@thedcet.com or our Data Protection Officer dposchools@somerset.gov.uk
