The DCET currently oversees six primary schools based in Somerset and North Somerset with a combined total of circa 1200 pupils, 200 staff and £5m budget. The DCET CFO will have delegated leadership responsibility for the finance and business operations of the Trust as a whole and ensuring public funds are well spent in delivering the Trust's vision, ethos and strategy in the best interests of all pupils. You will be the Trust's principal financial adviser and contribute to the development and delivery of highly effective and efficient governance, financial strategy and policy, financial management, internal controls and assurance processes which ensure compliance with the Trust's statutory requirements as a charitable company funded and regulated by the Department for Education.

As the Trust's most senior non-teaching employee, you will be part of the Executive Leadership Team committed to working openly and ethically with the CEO and Trust Board, line managing central team staff and collaborating with other key stakeholders in the best interests of all children within and beyond DCET. You will have a major role in supporting delivery of the Bishop's growth plan through effective advocacy, stakeholder engagement and completion of due diligence for prospective new or joining schools to enable informed decision making by the Trust Board.
